

**Don't miss a chance  
to network with a  
teacher and have an  
impact on education!**

*Share Your Business with Teachers!*

Did you know that a new teacher  
spends \$3,000 - 5,000 out of their  
own pocket in their first year  
of teaching?

The Clay County Chamber will lead, advocate  
and promote opportunity, economic growth  
and vitality in our community.
